About your host:

Ben Norris

From his humble comedy beginnings as the promoter and compere of a monthly comedy club in Aldershot circa 1993, Ben Norris has become a regular headliner on the UK comedy circuit and has performed around the world.

As well as regular appearances at music festivals, Ben has performed stand up on various TV shows including, *They Think It's All Over* (BBC1), *Never Mind The Buzzcocks* (BBC2), and *"Mock the week"* (BBC2)

Ben is a regular favorite TV audience warm up man for the likes of Jonathan Ross and Graham Norton. Surely it's only a matter of time before Ben is as popular and famous as his cousin actor Martin Freeman (Tim in *'The Office'*)

...surely!
